Western Buddhists often recoil at the word faith. In a religious context, faith has come to mean stubborn and unquestioning acceptance of dogma. Whether that's what it's supposed to mean is a question for another discussion, but in any case, that's not what Buddhism is about. The Buddha taught us to not accept any teaching,

Is Buddhism a Religion? | Dr. Jay N. Forrest

If you look at the definition of religion as a particular system of faith or worship, then you could start to say, well Buddhism could fit in that. If you take Buddhist rituals like meditation or in some schools of Buddhism where they have chanting or reciting the mantra, or lighting incense, practices like that, it starts to look more like a system of faith and worship.
