integration and trip statistics) - the hardware's identical. Personally I'd stick with the 5200, as in my opinion the extra bells and whistles are of questionable value - certainly when considering the extra cost.

Go 5200 — TomTom Community

TomTom Hi, the GO Premium will be available in 5 & 6 inch screens, it has an updated CPU and has a number of exciting new features. ... Just recently upgraded my GO-5200 to the Premium version (5") and I cannot find any difference in both devices other than that the screen now has turned very pale. The viewing angle has been changed.

GO PREMIUM vs GO 5200 — TomTom Community

2. Connect the USB cable to the USB car charger and plug this into the power supply on your dashboard. 3. Choose the best smooth location, on your windshield or side window, to mount
