Understanding the militants' media in Pakistan : outreach ...

Social media has proven to be the most effective weapon of the new militancy. Militants no longer need to use coercive means to get some column space in the press, as they did in the 1990s. Today, hundreds and thousands of militancy pictures and videos are on social media sites every single day.

Understanding the Military: The Institution, the Culture ...

Still, the publication should not be read as a conference-report, but as a document which, to a certain degree, seeks to distil the IMS experience in supporting media in conflict. Part one sets out IMS' understanding of modern conflict and the role the media can play in either exacerbating or alleviating violence.

Military colours, standards and guidons - Wikipedia

Others say that people are watching and reading news in an effort to understand and process the event. Still others say the media is trying to draw you in with exciting images almost like those from an action movie. Whatever the reason, we need to understand the effects that this type of news exposure may have.

Understanding the new militants of Pakistan - DAWN.COM

To understand how the media portrays terrorists and covers related stories and news, one should take a closer look at the mediums the media employs. The media generally uses agenda setting and framing to highlight and make certain issues more prominent than others.

SSD 3 Mod 3 Flashcards | Quizlet

In military organizations, the practice of carrying colours, standards or guidons, both to act as a rallying point for troops and to mark the location of the commander, is thought to have originated in Ancient Egypt some 5,000 years ago. The Roman Empire also made battle standards a part of their vast armies.

Ideological shift, public support and social media: The ...

Media commentators like Andrew Jacobs at The New York Times, Richard Leiby at The Washington Post, and Carol Brightman at The Nation argued that as embedded journalists became socialized into military culture, they would develop relationships with the soldiers and start reporting from the military point of view.

Iraq: Mass Media & Military Policy - Media Psychology Review

This supportive media framework for the military also existed in the 2003 war, and so there was little need for the government or military to enforce too many controls as much of the censoring was carried by the editors and media owners anyway (Schechter 2005). Nevertheless, in both wars the military did set up systems to control
