What Went Wrong? - Wikipedia

What Went Wrong? is a citizen journalism project mapping failed, unfinished, or broken aid projects across Africa. We are working to bring the voices of aid recipients to the forefront of the global discussion on foreign aid, inverting the traditional power dynamic by putting impact evaluation in the hands of the people most directly affected by aid interventions: the beneficiaries.

What Went Wrong?

"What Went Wrong?" has revolutionized the way industry views safety. The new edition continues and extends the wisdom, innovations and strategies of previous editions, by introducing new material on recent incidents, and adding an extensive new section that shows how many accidents occur through simple miscommunications within the organization, and how straightforward changes in design can ...
