It's time to start thinking about where your clothes ...

Most of our clothes are made overseas in rural and poor areas as it's much cheaper and more work gets done. The countries where most of our clothes are made, from the high street are made in are Bangladesh, India, China, Vietnam, Ethiopia, Indonesia, Sri Lanka and the Philippines. The clothes in our closet are made by workers who get paid as little as 40p an hour and the conditions of these factories are considered to be slave labour, the other reason why they make clothes in poorer ...
