Family Members Song

I purchased this for my four-year-granddaughter, whose father is deceased, to help her understand that she and her mommy ARE a real 'family.' If someone does not feel comfortable presenting all content to younger children, those pages can be clipped out until later. For the most part, it is a helpful book for not quite 'traditional' families.

AND allowing EVERY child to feel that their on family is normal. A family is a group of people who love and care for you, whether it is traditional, adoptive, foster, single parent, step parent, or any other combination out there. My K and 1st graders really enjoyed the story and were able to draw their own families doing things they love.
