Werewolves/Zombies: A Record of the Year of Infection by ...

Zombies: A Record of the Year of Infection does not disappoint. This title is exactly what I was expecting a very tense, anxiety ridden, first hand account of one man, a scientist, and his struggle to survive told in the journal format. Don Roff made a great decision with what was included and excluded from the narrative.

Zombies: A Record of the Year of Infection. The cover indicates the book is a compilation of the field notes of Dr. Robert Twombly, a survivor of a wave of untraceable infections that sweep the world turning the dead into zombies. The book is written as a journal of the protagonist, forward dated to 2012.
